Ole Schack Petersen explains how coronavirus has created huge uncertainty in the global fresh produce trade

Disruptions, delays and a shortage of containers are creating new challenges for international fresh produce suppliers around the world, as leading logistics expert Ole Schack Petersen explains in the latest episode of Fruitbox.

Hosted by Chris White in London, Fruitbox was launched in March 2020 and already thousands of listeners from across the global fruit and vegetable business are tuning in twice a week to hear its keynote interviews and expert analysis. Produced by Fruitnet Media International, the show is essential listening for everyone in the fresh produce industry.
