Countdown begins to Global Avocado Congress

One global event. Three time zones live. The best content and networking.

There is less than a month to go to Global Avocado Congress, Fruitnet Media International's brand new online event for the international avocado business.

Under the theme 'Sustainable profits in a global market' the live conference and networking event brings together leading growers, marketers, retailers and analysts to explore strategies

to deliver strong growth as global supply increases.

Join us on 2 September, when Global Avocado Congress streams live in Asia, Europe and the US, meaning you can pick your best time to take part live or to watch on demand.
