Dole sells Saba to Bama

Saba Fresh Cuts sale was a condition of the EC's approval of the acquisition by Total Produce in July

Total Produce has announced that Dole Food Company has entered into an agreement to sell Saba Fresh Cuts AB and Saba Fresh Cuts OY to Norway-based Bama International.

The sale of Saba Fresh Cuts AB was a condition of the European Commission's

approval of the acquisition by Total Produce of a 45 per cent equity stake in Dole in July this year.

Saba Fresh Cuts, with a production facility in Helsingborg Sweden and Saba Fresh Cuts OY, with a production facility in Espoo Finland, are producers of washed and ready-to-eat salads.

The transaction is expected to close in the opening quarter of 2019 and is subject to approval by the European Commission.
