

FPJ Podcast - NFU conference and Organic Market Report

The FPJ team discuss the recent NFU conference, growth in the organic sector, and problems in the potato market

Fruitnet.com Audio Edition

On the latest Fruitnet Audio Edition, FPJ editor Michael Barker, news and online editor Martyn Fisher, and features editor Nina Pullman debate the latest big talking points in the fresh produce industry.

The magazine was in attendance

at the NFU conference in Birmingham, and Michael and Nina sum up what happened there.

Martyn, meanwhile, gives his take on the recently-released Organic Market Report, and the troubles in the potato market.

The team also discuss how you can get involved in the magazine's upcoming 120th year special.
