Tell us how Covid is shaping your business

Where next for the fresh produce business?

By taking part in our survey, you can help the industry better understand the pandemic's long-term implications

How has your business changed as a result of Covid-19? And how has coronavirus changed the way fruit and vegetables are produced, distributed, sold and consumed?

To understand better the pandemic's longer-term implications for fresh produce supply, Fruitnet is running a [new survey](#) to find out what the industry's leading players expect to see in 2021.

[Click here to take part in the survey.](#)

Anyone in the business can take part. By posing just [three simple questions](#), Fruitnet aims to collect a broad range of views on the trade's potential development over the coming 12 months.

So, if you have five minutes to spare, [we would very much welcome your contribution.](#)
