## ***FPI early bird rate ends this week***

Fresh Produce India takes place on 24-26 April in Mumbai, with a special early bird rate in place until Friday

**F**resh Produce India's engaging programme covers all the big topics affecting the high-growth Indian business. There will be plenty to discover at India's fresh produce conference and expo - from agritech start-ups to emerging international products and suppliers.

For those looking to attend the event, which takes place on 24-26 April at the Trident Nariman Point, this week represents the last opportunity to secure a spot for the early bird rate of US\$480 (standard price - US\$600).

[Click here for more details on how to register](#) for this must-attend event.
