New dates confirmed for GBC2019

The next edition of the Global Berry Congress will take place on 25-27 March 2019

It has been confirmed that next year's **Global Berry Congress** will take place on 25-27 March, at the Beurs-World Trade Center in Rotterdam.

Organised by Fruitnet Media International, GBC is a world-class event that brings together leading berry professionals to share ideas about where the international soft fruit business is heading.

This year's event, which took place in Rotterdam on 19-21 March 2018, attracted a total of 474 delegates from 41 countries, as well as 33 exhibitors from different parts of the berry supply chain.
