# BE INSPIRED BY A UNIQUE EXPERIENCE

In 2026, **Fruitnet Tropicals Congress** heads to Barcelona, a major distribution hub in the heart of the Mediterranean region for a broad range of imported tropical fruits.

The two-day conference and networking event (one day conference plus study tours) brings together key players from across the industry to explore the latest market opportunities in the tropical fruit category.

Plus it offers the ideal promotional platform for companies that supply products like avocados, bananas, mangoes, pineapples, and a whole range of other tropical fruits and vegetables.
