Eurofruit delivers fresh ideas and insight that deepen your knowledge of Europe's fruit and vegetable business.

It is the essential source of information and analysis for anyone who wants to understand the European fresh produce market.

The magazine celebrates innovation in all parts of the industry, from supply chains

to retail merchandising, from technology and packaging to marketing and varietal development.

And, with distribution at all major industry events, as well as a prominent online presence, *Eurofruit* is a unique platform for brands to raise their profile in Europe's crowded marketplace.
